Three Rivers Public Health Department Update

Three Rivers Public Health Department (3RPHD) will be taking the mobile vaccination trailer to the following locations this coming weekend on Saturday, October 2, 2021 offering both COVID-19 and flu vaccinations:

- Yutan High School: 1200 2nd Street, 9:00am-11:00am
- Ceresco Community Building: 217 S 2nd Street, 12:30pm-2:30pm

The 3RPHD health district has reported 11,078 cases of COVID-19 since the beginning of the pandemic. We have had 174 cases in the last 7 days and 358 cases in the past 14 days. “We are continuing to offer walk-in COVID-19 vaccinations at the health department on Tuesdays and Fridays. If you would like to be vaccinated please stop by on those days we also are offering flu vaccine at those clinics as well,” said Terra Uhing, Executive Director of the Three Rivers Public Health Department.

Additionally, we now have expanded testing within the health district through a collaborative partnership with Total Wellness. The new testing site is a drive-through and appointments can be made at this link: <https://www.totalwellneshealth.com/private/3rphd/>.

If you do not have access to make an online appointment you can show up at the location and still be tested. Insurance may be billed if available, but there will be NO direct cost to any patient. The site address and hours of operation are: **210 E Military Avenue, Fremont, NE 68025**. Mondays: 8:00am-11:00am and Fridays—3:00pm-6:00pm.

Sadly, we are announcing three new COVID-19 related deaths. This brings the total COVID-19 related deaths in our health district to 144.

If you are homebound or require special accommodations and wish to receive a COVID-19 test or vaccine, please contact us at 402-704-2245.

If you or someone you know are in need of resources such as access to food, assistance with rent, or other needs, please reach out to our Community Health Worker, Evelyn, at 402-704-2255.

The 3RPHD Data Dashboard is updated each weekday and can be found at:
