Three Rivers Public Health Department Update

Three Rivers Public Health Department (3RPHD) will be taking the mobile vaccination trailer to the following location on Friday, October 8, 2021 offering both COVID-19 and flu vaccinations:

- Regency Mobile Home Park, 807 S Broad St., Fremont 5:00pm-7:00pm

The 3RPHD health district has reported 11,254 cases of COVID-19 since the beginning of the pandemic. We have had 163 cases in the last 7 days and 349 cases in the past 14 days. “We also have implemented a change with our contact tracing. Due to continued community spread, our 3RPHD staff are currently unable to call every individual testing positive for COVID-19. To improve our ability to reach those who test positive, 3RPHD is using Nebraska's contact tracing survey. If you test positive, and are over the age of 19, you will first receive a survey via text message. If the survey is not completed, the survey will be rerouted for a call with a 3RPHD staff member or with one of our partners at NE DHHS. If you receive the survey after speaking with a 3RPHD staff member or state partner, please disregard the survey. This survey allows us to better understand the spread of COVID-19 in the 3RPHD jurisdiction and provide timely guidance to those who test positive and their contacts.” said Terra Uhing, Executive Director of the Three Rivers Public Health Department.

As a reminder we have testing that is a collaborative partnership with Total Wellness. The testing site is a drive-through and appointments can be made at this link:

<https://www.totalwellnesshealth.com/private/3rphd/>.

If you do not have access to make an online appointment you can show up at the location and still be tested. Insurance may be billed if available, but there will be NO direct cost to any patient. The site address and hours of operation are: **210 E Military Avenue, Fremont, NE 68025**. Mondays: 8:00am-11:00am and Fridays—3:00pm-6:00pm.

If you are homebound or require special accommodations and wish to receive a COVID-19 test or vaccine, please contact us at 402-704-2245.

If you or someone you know are in need of resources such as access to food, assistance with rent, or other needs, please reach out to our Community Health Worker, Evelyn, at 402-704-2255.

The 3RPHD Data Dashboard is updated each weekday and can be found at:
