Three Rivers Public Health Update

Three Rivers Public Health Department (3RPHD) is reporting that COVID-19 hospitalizations, and deaths are on the rise. “We are seeing that unvaccinated 30-year old’s are filling up our hospitals as quickly as vaccinated 80-year old’s. We know that the COVID-19 vaccinations are a tool to help prevent severe illness—so please consider getting vaccinated if you are not already.” said Terra Uhing, Executive Director of the Three Rivers Public Health Department.

3RPHD is offering all vaccines at all our 3RPHD walk-in clinics (Pfizer, Moderna, J&J and this does include 5-11 doses). **Clinics coming up include:**

12/3/21-Friday: 12:00pm-3:30pm, and 3:30pm-6:00pm (kids only), Three Rivers Clinic, 2400 N Lincoln Avenue, Fremont, NE 68025
